

Are you interested in taking a welding course?

If you are a CSEA-represented NYS employee, consider the

## **Statewide Targeted Tuition Program for Welding**

The Statewide Targeted Tuition Program for Welding provides additional tuition assistance to CSEA-represented NYS employees who wish to take welding courses.

Currently, most CSEA-represented NYS employees are eligible to receive two tuition benefits per fiscal year.

The Statewide Targeted Tuition Program for Welding allows eligible employees to receive up to two additional tuition benefits if they are taking a welding course.
