
ENVR 460 Bachelor Degree Internship Program Student Learning Outcomes & Objectives and Activities

Internship Student Learning Outcomes ENVR 460:

- Demonstrate organizational and time management skills consistent with a professional Environmental Management position
- Exhibit proficiency in technical tools required in Environmental Management professions
- Identify and implement solutions to real world environmental problems
- Quantify environmental impacts resulting from anthropogenic activities
- Exhibit professional level writing and oral communication skills

Internship Objectives and Activities Instructions:

1. Please review the outcomes above with the Faculty Supervisor.
2. **In a new document**, list objectives of your internship and the specific activities to be completed. Indicate approximate amount of time to be devoted to each activity. Be as specific as possible. (The Faculty Supervisor will provide guidance in initial preparation of this section with input from the Site Supervisor.)
3. Once completed and approved by your faculty supervisor, please attach **this form AND your typed document** (Word or PDF document required) to the Internship Learning Agreement (ILA). *Please do not attach and submit this document until everyone agrees to the objectives and activities you've provided.*

For help completing this task or with the internship registration process please email internships@cobleskill.edu
