

## GART 480 Bachelor Degree Internship Program Student Learning Outcomes & Objectives and Activities

### Internship Student Learning Outcomes GART 480:

- Enhance a student's understanding and knowledge of the design workplace.
- Help clarify the student's career goals via a job experience in a design firm.
- Assist in developing relationships with design practitioners.
- Train for and instill industry-standard work procedures and behavior.
- Allow a student to discover the value of work and the rewards of professional accomplishments.
- Contribute to a student's transition to a high level of professional proficiency upon graduation.

### Internship Objectives and Activities Instructions:

1. Please review the outcomes above with the Faculty Supervisor.
2. **In a new document**, list objectives of your internship and the specific activities to be completed. Indicate approximate amount of time to be devoted to each activity. Be as specific as possible. (The Faculty Supervisor will provide guidance in initial preparation of this section with input from the Site Supervisor.)
3. Once completed and approved by your faculty supervisor, please attach **this form AND your typed document** (Word or PDF document required) to the Internship Learning Agreement (ILA). *Please do not attach and submit this document until everyone agrees to the objectives and activities you've provided.*
